Dear Dr. Ferrer and FELC Tutors:

On behalf of the Barbara Hawkins Elementary School Wellness Council, we would like to thank you for participating in the Family Carnival and Health Fair. With your help, this event was a tremendous success. We were able to promote and introduce a better and healthier lifestyle to over 250 faculty, students, parents, and members from the community. Without your partnership this event would not be possible. Your contribution(s) to our school is greatly appreciated. We are one step closer to creating a healthier lifestyle! We look forward to working with you again in the future.

Additionally, please provide and comments or suggestions that would help to make our future events a success.

Sincerely,

Derek Negron
